v.

CLARK COUNTY dba  
UNIVERSITY MEDICAL CENTER,

Defendant.

Case No.: 2:09-cv-01508-PMP-GWF

**STIPULATION AND ORDER  
EXTENDING TIME TO FILE  
DISPOSITIVE MOTION**  
(Second Request)

IT IS HEREBY STIPULATED AND AGREED by and between the parties' counsel of record that the dispositive motion deadline be extended up to and including August 27, 2010. The parties are still engaging in discussions about possible resolution of the case and do not wish to incur the expense of dispositive motion practice until this process is completed. It was previously believed an extension until July 26 would suffice, but since that extension was granted, it has been determined certain information Plaintiff wishes to review will not be available until after July 21, and then Plaintiff's counsel will be unavailable to review it until August 9. An extension until August 27 will provide enough time for review without having to request any further extensions, if the case is not resolved. This is the second formal

1 request for an extension of this deadline by the parties, although on March 8, 2010,  
2 Judge Leavitt extended the deadline because “the case has been in ENE mode for two  
3 months” (docket #21).
